We are delighted to be sending you our details as requested. If there is anything else you need to know give us a ring (evenings are OK!), or look at our website which should finally convince you that we are a totally uncommercialised beautifully located site for your Summer holiday. We are just about as close to the sea as you will find - 10 minutes safe walking on wide pavements and an excellent bus service with a 'stop' right outside our entrance. The rail service is excellent too.

- ★ Open 26 MAY – 4 SEPTEMBER 2017
- ★ Our 'state of the art' toilet and shower block (new in 2012) incorporates a launderette and washing up room.
- ★ ADVANCE BOOKINGS (Minimum 3 nights) welcomed, essential for the peak weeks - when we always have some 'SITE FULL' nights.
- ★ Dedicated online booking system at our website.
- ★ While we are primarily a site for tents and motorhomes we are also licenced to accept touring caravans. Our Electric Hook-Up Pitches are 16 amp supply; from large motorhome (sorry no RV's) to smallest tent we have a hook-up to suit - just don't leave it too late to book one.
- ★ Dawlish Carnival Week August 12 – 19. Packed with family entertainment from children's running races to the Grand Procession there is never a dull moment!
- ★ We welcome enquiries for club "meets" and rallies during June and early July.
- ★ Every year the site is visited by a number of English, German & Dutch inspectors and we remain a TOP RATED 3 STAR PARK. One inspector commented that we are "A very pleasant family run site that sits very comfortably at the top end of the 3* rating", while another, when asked if we should alter anything replied "leave it just as it is". Enough said?
- ★ "Perfick" is how world famous naturalist David Bellamy described Dawlish Warren when he visited in 2007. A mixture of conservation at the Dawlish Warren National Nature Reserve and a Blue Flag Beach resort working in harmony to give you an all round experience, wherever your interest lies. The Beach was awarded the prestigious Blue Flag for the 18th consecutive year in 2016.
- ★ As a centre for seeing Devon, a beach holiday or visiting the area's many quality tourist attractions, Dawlish Warren is almost unbeatable. There are so many 'things to do' (highlighted overleaf and on the website) and the ease with which traffic can move out and around the county from Dawlish constantly amazes visitors.
- ★ Dawlish Warren is well known for it's good weather. If it does rain or blow our pitches are mostly well sheltered and the sandy subsoil drains extremely well. See our website for weather forecast and webcam!
- ★ Dogs - we are all dog lovers here, Jack and Martha - our Springers are very popular with our younger visitors. However following an incident elsewhere in the area we have reluctantly reviewed our "Dogs Welcome" policy and we are sorry but now reserve the right to refuse admission for some breeds in addition to those listed under the Dangerous Dogs Act (1991) which include Rottweilers and Staffordshire Bull Terriers. Irresponsible owners are to blame for this move, so please phone for details if you are concerned. Well behaved dogs are allowed on the strict understanding that they are kept on a lead AT ALL TIMES, exercised off the site and never left unattended.

Our family has been at Leadstone since 1974. We always have a famously friendly and helpful staff to serve you and think we have earned a healthy reputation for great value and good service. As usual we have set our prices to attract those able to come away outside the "main season". Our "Specials" are superb value – so the message is come early or late and fill our pitches.
