To ensure everyone's enjoyment please consider the following before booking. If you or any member of your party are unwilling to conform to the following simple rules, or are looking for a different social atmosphere, we respectfully request you make a booking at another site.

Single sex bookings of 3 or more people are not allowed.

Change over time is 12 noon so it can be busy on peak weekends!

No arrivals after 10.00 p.m.

Quiet please: No radios, TV, etc. after 10.30pm. Please be thoughtful during the day and our long term policy of "No noise after 11pm" means exactly that! (Most visitors are in bed by 10pm!)

BBQs: On legs or disposable are fine (ask at Reception for bricks to sit it on). Open fires, fire baskets, braziers, etc are disallowed.

Dogs: Most breeds welcome however we do reserve the right to refuse admission to some breeds in addition to those listed under the Dangerous Dogs Act (1991) including Rottweilers and Staffordshire Bull Terriers. Irresponsible owners are to blame for this move, so please phone for details if you are concerned. If you have a dog that is boisterous or has a bark or character that may accidentally upset other visitors 2 or 4 legged then for everyone's enjoyment, perhaps consider leaving your pet with a friend or in kennels? On a cautionary note guests are politely advised that a 'zero tolerance' policy exists in respect of dog related offences committed on site, our dogs' policy exists for both the safety and comfort of everyone and must be strictly adhered to. All contraventions will result in guests being required to leave immediately, furthermore the management team will not hesitate to assist in prosecuting irresponsible owners where appropriate. If you are not happy to have your dog tied up/on a lead whilst on site, please do not bring your pet with you. Please do not leave them unattended, pick up any "whoopsies" and exercise off site.

BB Guns are not allowed.
No Swearing, thank you.

Refunds: No money will be refunded for any reason. If this is a concern you should take out travel insurance independently.

We are delighted to be sending you our details as requested. If there is anything else you need to know give us a ring (evenings are OK!), drop us a line at leadstonecamping@gmail.com, or look at our website which should finally convince you that we are a totally uncommercialised beautifully located site for your Summer holiday. We are just about as close to the sea as you will find - 10 minutes safe walking on wide pavements and an excellent bus service with a 'stop' right outside our entrance. The rail service is excellent too. A full bike hire service is now available in Dawlish Warren!

- ★ Open 24 MAY – 2 SEPTEMBER 2019
- ★ Our 'state of the art' toilet and shower block (new in 2012) incorporates a launderette and washing up room.
- ★ ADVANCE BOOKINGS (Min 3 nights main season) welcomed, essential for the peak weeks - when we always have some 'SITE FULL' nights.
- ★ Dedicated online booking system at our website: www.leadstonecamping.co.uk
- ★ While we are primarily a site for tents and motorhomes we are also licenced to accept touring caravans. Our Electric Hook-Up Pitches are 16 amp supply; from large motorhome (sorry no RV's) to smallest tent we have a hook-up to suit - just don't leave it too late to book one.
- ★ Dawlish Carnival Week August 10 – 16. Packed with family entertainment from children's running races to the Grand Procession there is never a dull moment!
- ★ Every year the site is visited by a number of English, German & Dutch inspectors and we remain a TOP RATED 3 STAR PARK. One inspector commented that we are "A very pleasant family run site that sits very comfortably at the top end of the 3* rating", while another, when asked if we should alter anything replied "leave it just as it is". Enough said? . . . and the AA promoted us to 4 pennants in 2018
- ★ "Perfick" is how world famous naturalist David Bellamy described Dawlish Warren when he visited in 2007. A mixture of conservation at the Dawlish Warren National Nature Reserve and a Blue Flag Beach resort working in harmony to give you an all round experience, wherever your interest lies. The Beach was awarded the prestigious Blue Flag for the 20th consecutive year in 2018.
- ★ As a centre for seeing Devon, a beach holiday or visiting the area's many quality tourist attractions, Dawlish Warren is almost unbeatable. There are so many 'things to do' (highlighted overleaf and on the website) and the ease with which traffic can move out and around the county from Dawlish constantly amazes visitors.
- ★ Dawlish Warren is well known for it's good weather. If it does rain or blow our pitches are mostly well sheltered and the sandy subsoil drains extremely well. See our website for weather forecast and webcam!
- ★ Dogs - we are all dog lovers here, Martha - our Springer is very popular with our younger visitors. However following an incident elsewhere in the area we have reluctantly reviewed our "Dogs Welcome" policy and we are sorry but now reserve the right to refuse admission for some breeds in addition to those listed under the Dangerous Dogs Act (1991) which include Rottweilers and Staffordshire Bull Terriers. Irresponsible owners are to blame for this move, so please phone for details if you are concerned. Well behaved dogs are allowed on the strict understanding that they are kept on a lead AT ALL TIMES, exercised off the site and never left unattended.
